Activity Details Surf Trip

3 DAY SURF TRIP

DATE; Wednesday 13th to Friday 15th January, 2010

LOCATION; ROBE OR SOUTH COAST (please register interest in either location)

COST; \$250.00 per person (food included)

The trip involves extending skills in order for students to surf 'out the back'. We look to progress them to 'duck diving' and surfing along a wave.

Each session will be tailored to the individual - a range of boards are used to suit the environment, please speak to Daniel regarding the use of own boards.

We would prefer surfer's with prior experience, but it is not essential as long as you are passionate about surfing!!

Robe and the South Coast locations provide a variety of opportunities for surfing and accommodation. Once interest is registered in the trip, we will select the most appropriate location based on students experiences and local conditions.

Please book in and request your preferred location, we will inform you a week prior of the chosen location.
